

Parent Survey 2017

Results

Thank you again to the people who took the time to complete the survey. The responses have been compiled into charts which are included here for you.

We are very pleased with the very positive responses that we have received and also take on board the responses which make clear areas which need consideration.

The school's leadership team and governors will be looking at the results of the survey and use them to inform the way the school is led and managed so that the children can have the best experience and outcomes possible.
